We're fighting for kids. Against pediatric digestive diseases. Join us.

Millions of Americans struggle with chronic and debilitating digestive diseases. The **Digestive Health Alliance (DHA)** is the grassroots advocacy, awareness, and fundraising arm of the International Foundation for Functional Gastrointestinal Disorders (IFFGD), and is dedicated to advancing critical research and supporting patients and families affected by these conditions.

We are a nonprofit 501(c)(3) organization and your support is tax deductible. Please visit us online at www.iffgd.org.
